—FOREWORD—

This dispersal sale of the Kelrose herd, made necessary by the untimely death of Mr. Charles N. Sinclair, affords the Shorthorn breeder as opportunity to invest in some of the breed's best Scotch bloodlines as represented in a breeding herd which had always been a profitable one for the owner.

Mr. Sinclair had been a breeder of Shorthorn cattle for many years, and was instrumental in the importation of some of Scotland's best blood. Early in his career, he used such bulls as Collynie Mascot from the Duthie Webster herd in Aberdeenshire, and this was followed by such bulls as Redgorton Quixote and Royal Templar.

Princeton Ringleader, a bull bred by H.R.H. The Prince of Wales, contributed much to the herd's development in the early stages and Danny's Broad, a son of Killearn Danny by the well-remembered Danny Boy and bred by the late John Gordon of Innisfree, was used. Laslynnturn Ransom 12th, tracing to the noted Millhills Ransom (imp.) was one of the Sinclair herd sires and his name is well up in some of the pedigrees in this catalogue.

Killearn Bard -267584- and Rockville Secret 3F -330981- were the sires which contributed most to the herd in recent years.

Killearn Bard was used to develop Mr. Sinclair's Balmuchy family and he is represented by the big, productive females (several classified AA) in this sale. He was the son of Killearn Monarch by Pittodrie Monarch (imp.) and this breeding is widely recognized as among the best in the Shorthorn breed.

Rhys Williams & Son of Melville used Killearn Bard in their herd and from him developed practically all of the good families which have won so much and sold so well for them. The Countess, Janet, Sylvia, Phyllis and Blossom families all trace to Killearn Bard and Bard's Blossom, produced by Williams & Son, was considered Saskatchewan's best Shorthorn cow. Another great Williams' cow, Countess Phyllis, was a grand-daughter of Killearn Bard.

Rockville Secret 3F, a top son of Aldie Secret Sensation (imp.) was purchased from P. J. Rock & Son of Drumheller at the 1952 "Sale of the Stars" in Toronto. The Rock & Son show herd which travelled the Western circuit in the U.S. won many championships with sons and daughters of Aldie Secret Sensation. The Rocks also used sons of this bull to consolidate this blood in their herd. One such son, Rockville Sensation 14H, was a three-quarters brother to the Sinclair bull. Rockville Secret 3F is the sire of several of the younger females selling.

At the 1956 Regina Bull Sale, Mr. Sinclair won the junior and reserve grand championship with a son of Rockville Secret 3F and this bull sold at \$925 to Bert Darvit of Plentywood, Mont. Paternal half brothers in that sale sold at \$800, \$700 and \$625. In the 1958 Regina sale, a son of 3F sold at \$875 and only three sold higher. Another brought \$800.

The present herd sire, Searle M Atomic, is a son of Rothney Hoarfrost whose sire, Aldie Recorder, was one of the foundation bulls in the A. R. (Sandy) Cross herd at Midnapore. This bull sells, as do his yearling and 1961 calves, and his service on the bred females. He's a big, easy keeping bull and a sure breeder, classified AA. You'll note that his dam, Bluffview Kinellar 19th, was bred by Andrew Slater of Regina, and born the property of Searle Farms of East Selkirk, Man. Ab Colbert of Searle Farms describes her as a grand breeding cow which never has produced a poor calf.

TERMS AND CONDITIONS

TERMS ARE CASH. Cheques will be accepted.

HEALTH: The herd is fully accredited for TB and is operated in a Bangs Control Area. The cattle can go anywhere.

MAIL BIDS: If unable to attend the sale, your bids can be mailed to W. A. Wilson, executor, Westmeath Farm, Sifton, Sask.; H. R. White, Managing Director, Canadian Shorthorn Association, Guelph, Ont., or W. J. Bradley, Editor, The Westerner, Box 1026, Regina, Sask.

Rhys Williams, Melville, Sask., has this to say of Killearn Bard: "His dam, Balmuchy Averne 2nd, was a daughter of the illustrious Balmuchy Jasper and the late Bill Durno claimed that old Jasper made the Gallinger herd together with Pittodrie Monarch. Killearn Bard started things for me. He originated the cow Beauty's Countess and was the sire of Bard's Blossom, dam of Perfect Blossom. Both these females made history as mature females. He was the sire of Carnarvon Countess, dam of our old Countess Phyllis who won her class at the Royal as a mature female. Her daughter was second prize summer yearling in a class of 37 the same year. Killearn Bard was the sire of old Sylvia, the originator of all our Sylvias including AAA Sylvia 4th, dam of Cyril Charles that sold to the Rejc Brothers, Leask, at \$2,100. Bard was the sire of Janet who has done well for us and produced good bulls. Our grand champion bull at Saskatoon, 1956, was a son of old Sylvia. So you see Killearn Bard was quite a breeding bull of good, practical cattle. The Monarchs and Balmuchy Jasper bulls were really the foundation of the Killearn herd."
